To Whom It May Concern:

GodSpace, in partnership with the Bible Society, approves **'The Really Good News Of Christmas'** booklet and **'2018 God's Champions Bible Memory Verse Calendar for Kids'** and may be used in conjunction with the authorised GodSpace curriculum.

The content of these printed resources have been reviewed and deemed to be in line with current pedagogy practices and is age appropriate for ages 4 -13 years of age. 'The Really Good News Of Christmas' booklet is a great complement to our Christmas Unit and suitable to send home.

The '2018 God's Champions Bible Memory Verse Calendar for Kids' recognises the celebration of sporting champions from many different countries attending the 2018 Commonwealth, Gold Coast, Qld. As we reflect on being God's created beings, and champions in God's sight, this resource compliments the teaching in Unit One of the GodSpace curriculum.

Blessings

On behalf of the GodSpace team
