To Whom It May Concern:

GodSpace, in partnership with Quiz Worx, authorises the Quiz Worx live shows to be used in conjunction with the authorised GodSpace curriculum.

The content of the live shows and supporting media has been reviewed and deemed to be in line with current pedagogy practices and is age appropriate for ages 4 -13 years of age. Quiz Worx is committed to providing presentations in a sensitive manner, which is educationally sound and faithful to Christian teaching.

GodSpace also endorses the use of the associated resources for use and distribution within the live shows and may be used as supporting media to be used with the authorised curriculum.
