# Puppet Skit I: Fuzzie's Big Adventure

**Props:** Fuzzie, small backpack, apple core, straw, sock, toilet paper and the Bible.

## Script

**Fuzzie:** I'm here! I'm here! I'm not too late am I?

**Teacher:** Too late for what Fuzzie?

**Fuzzie:** To go on our great big adventure of discovery! I've got my map and I'm ready to roll! Can you just remind me...what are we discovering?

**Teacher:** This year we are discovering amazing things about God.

**Fuzzie:** Fantastic! Lucky I packed my bags for an out of this world adventure! *(Sit the open bag in front of you)*

**Teacher:** You packed your bags?

**Fuzzie:** Sure did! Check it out! I packed my favourite snack - apple core delight - just in case I get hungry. *(Pull an apple core out of the bag)* Oh and that's my straw. *(Pull out the straw)*

**Teacher:** Why do you need a straw?

**Fuzzie:** For breathing! You know in hard to breath places, like underwater and outer space.

**Teacher:** *(Pull out a sock)* And what about this?

**Fuzzie:** Oh that's my lucky sock!

**Teacher:** Your lucky sock?

**Fuzzie:** Sure is. I have worn that sock hundreds of times and I have never been eaten by a dinosaur. Told you, it's lucky!

**Teacher:** *(Getting a wiff of the sock)* Fuzzie, have you ever washed this sock?

**Fuzzie:** Nope, never!

**Teacher:** EWWW! *(Throwing it away)* And what's this? *(Pulling out toilet paper)*

**Fuzzie:** Don't tell me I need to tell you what that is for.

**Teacher:** No, no. I think we all know what that is for. Fuzzie, it's great you have gone to all this trouble to pack but we don't need to go anywhere to discover things about God. We can find out about God right here in this classroom.

**Fuzzie:** Really?

**Teacher:** Sure, in fact everything we need to know about God is in this book. *(Hold up the Bible)*

**Fuzzie:** What, in a book?

**Teacher:** It's not just any book, Fuzzie. It's the Bible. God has given us the Bible, which is full of stories about things that God has done in the past, so that we can know all about him and discover what he's doing in the world now.

**Fuzzie:** God's book, hey? That sounds like something worth reading! I'm going to go and unpack my bags and then I'd love to borrow it.

**Teacher:** No problem Fuzzie. You might even like to drop by sometime and read it with us.

**Fuzzie:** Sure! *(Fuzzie exits)*

**The End**

# Puppet Skit 2: Fuzzie Discovers the Bible

**Props:** Fuzzie puppet and the Bible

## Script

*Fuzzie is staring into space, as if thinking hard.*

**Teacher:** Hi Fuzzie! (*Fuzzie keeps staring into space*) Hi Fuzzie!! (*Fuzzie keeps staring into space*) Hi Fuzzie!!! (*Louder and waving hand in front of Fuzzie's face*)

**Fuzzie:** (*Jumps as if startled*) Oh, hi there. I didn't see you. I think I was daydreaming!

**Teacher:** I think you were, Fuzzie. What were you daydreaming about?

**Fuzzie:** Oh... it's a bit embarrassing.

**Teacher:** It's ok, Fuzzie. You can tell me!

**Fuzzie:** Well, I was just thinking about God and wondering how I might get to know him better.

**Teacher:** Fuzzie, you don't need to be embarrassed about that! That's a great thing to daydream about! Did you come up with any solutions?

**Fuzzie:** Well, not really. First I thought about a spaceship...maybe if I flew far enough into space I'd reach him. But I wasn't really sure what direction I should go in. What if I ended up at the wrong end of space, and couldn't get back!

**Teacher:** Yeah, wow, that would be a problem. Did you have any other ideas?

**Fuzzie:** Well, then I wondered about a time machine. Maybe I could get one of those and go back in time so I could meet some of the people God spoke to. But do time machines even work?

**Teacher:** Haha... I don't know Fuzzie. They work in movies but not sure if it would work for you.

**Fuzzie:** So, I'm back where I started. I've been sitting here for ages trying to work out how I can discover more about God.

**Teacher:** I might have an answer for you Fuzzie.

**Fuzzie:** What? Do you know how I can get to know God better?

**Teacher:** Well, it may not help you see him, but I definitely know a way that you can discover more about him (*pick up the Bible and show it to Fuzzie*) - with this!

**Fuzzie:** With that? That's just a book!

**Teacher:** It's not any book Fuzzie. This is a really special book. This is God's book, the Bible.

**Fuzzie:** How can I discover more about God through that book?

**Teacher:** Well thankfully, God hasn't left it up to us to discover him. He's given us the Bible, which has lots of amazing stories about things that God has done in the past, so that we can know all about him and discover what he's doing in the world now.

**Fuzzie:** And what he looks like?

**Teacher:** Well... mostly about who he is because that's more important than what he looks like.

**Fuzzie:** Wow, that does sound like a pretty cool book. Can you read me some of it?

**Teacher:** I would love to Fuzzie. Maybe you can come back and read the Bible with us one day.

**Fuzzie:** I'd love that!

**Teacher:** Great! I'll see you soon Fuzzie.

**Fuzzie:** See you soon. Bye everyone.

**Lord God, you...  
made the sky  
and the earth.**

**You can do  
anything.**
