## PeaceWise: Unit 5 Updates

The PeaceWise unit has been updated to reflect feedback from teachers using Purple23. Key changes include:

### Stronger Connections between PeaceWise Tools and Biblical/Christian faith concepts

- Highlighting Jesus as the *Ultimate Peacemaker*
- Exploring Jesus' teaching on peace-making
- Exploring key Bible passages
- Links to Purple 26 Learning Journey

### Get Help

Draw arrows to show if you should **OVERLOOK**, **TALK** or **GET HELP**.

You tried to overlook but the hurt has happened again. → **make peace**

You feel unsafe → **make peace**

Your friendship has been hurt. → **make peace**

### Responding to Safety Concerns

- Clearer language for Peace-making responses
- *Get Help* response highlighted and valid response if needed

Explain a good apology is more than saying 'I'm sorry'. These steps can help us reflect or pray on our part in the conflict, and they can help us when we need to apologise to someone.

Discuss the 5As of Apology:

1. **Admit** what I did wrong and what I'm saying sorry for.
2. **Apologise** for what you did. Say 'I'm sorry for...'
3. **Accept** the consequences.
4. **Ask** for forgiveness. say 'Will you please forgive me?'

### More Interaction with PeaceWise Concepts

- Less 'teacher talk', more puzzles and discussion
- Extra visual aids
- *For teachers:* Quick reference Peace-making tools highlighted in Lesson manual and *Peace-making Process Overview* poster

**The Make Peace Responses (3-5min)**

**Discover**

**PAWS Process (10min)**

**Optional:** Watch *PeaceWise: PAWS Process* (Navigators).

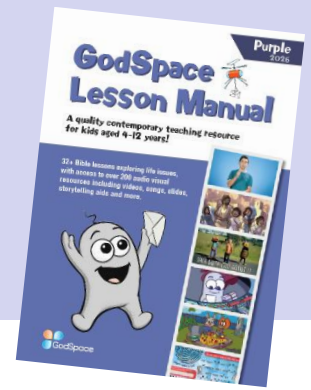

**P** pause – you can pray if you like, and think about what you're going to say.  
**A** sk the other person what they want, and why.  
**W** ork it through – discuss some ways you can both be satisfied.  
**S** hare together – Be peacemakers together and solve your conflict!
